

Accomplished Radiologist Kelly Harkins-Squitieri, MD, Elevates Breast Health Services in New York

Leading Expert to Enhance Breast Imaging

New York City, New York Apr 30, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Kelly Harkins-Squitieri, a distinguished attending physician and Assistant Professor of Radiology, has brought her expertise to the forefront of breast health services in New York. With a clinical focus on breast image-guided procedures, breast MRI, and high-risk screening, she is dedicated to providing cutting-edge treatments and compassionate care to her patients.

In addition to her role at Montefiore Einstein Comprehensive Cancer Center in the Bronx, Dr. Harkins-Squitieri extends her services to Montefiore Einstein Advanced Care – Westchester, ensuring that patients across the region have access to top-tier breast imaging services. As the Medical Director of the Breast Health Center at St. Vincent's Medical Center, she leads a team of professionals committed to providing comprehensive care for patients with breast health concerns.

Dr. Harkins-Squitieri's commitment to education and mentorship is evident in her roles as the Associate Program Director for the Diagnostic Radiology Residency Program and Assistant Professor at the Frank H. Netter M.D. School of Medicine at Quinnipiac University. She is dedicated to shaping the next generation of radiologists and ensuring that they are equipped with the knowledge and skills needed to excel in the field.

A 1993 graduate of the Icahn School of Medicine at Mount Sinai, Dr. Harkins-Squitieri has continued to expand her expertise through her internship at St. Barnabas Medical Center, residency in diagnostic radiology at Morristown Memorial Hospital, and fellowship in women's imaging at NewYork-Presbyterian Hospital. With over three decades of experience, she is a Diplomate of the American Board of Radiology and an esteemed member of the Society of Breast Imaging.

Dr. Harkins-Squitieri's dedication to advancing breast health services and her unwavering commitment to her patients make her a valuable asset to the healthcare community in New York. Her expertise and leadership will continue to elevate the standard of care for individuals seeking comprehensive breast imaging services.
