[Chedda](#) token, the first culture token in DeFi and now on the Solana blockchain, is thrilled to announce its partnership with [Jetvoy](#), a leading travel platform with partnerships with Booking.com and TripAdvisor. This collaboration marks a significant milestone for both Chedda and Jetvoy as they join forces to revolutionize the travel and finance experience for users worldwide.

Chedda's journey to becoming a \$2.6 billion market cap token in January 2022 signifies its unwavering commitment to innovation and community-driven finance. Now, with the partnership with Jetvoy, Chedda is expanding its vision beyond the crypto space, bringing the benefits of cryptocurrency to the world of travel.

Through this collaboration, Chedda users will gain access to exclusive travel deals and discounts through Jetvoy's partnerships with leading travel providers such as Booking.com and TripAdvisor. Additionally, Chedda's integration with Jetvoy's platform will enable seamless transactions, allowing users to book flights, accommodations, and experiences using Chedda tokens.

"We are excited to partner with Jetvoy to offer our community a unique and seamless travel experience,"

said Marc Sardina, CEO at Chedda. "At Chedda, we believe in the power of collaboration to drive innovation and create value for our users. With Jetvoy's expertise in the travel industry and Chedda's vision for community-driven finance, we are excited to embark on this journey together."

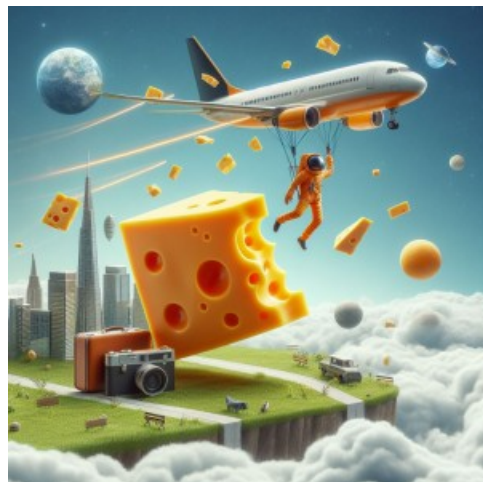

Jetvoy shares Chedda's commitment to innovation and accessibility, making them the perfect partner to enhance the travel experience for Chedda users. By leveraging Jetvoy's extensive network and industry expertise, Chedda aims to empower users to explore the world while seamlessly integrating cryptocurrency into their travel plans.

"We are excited to partner with Chedda to offer our users new ways to access exclusive travel deals and discounts," said Elena, President of Jetvoy.com "By combining Jetvoy's extensive network and partnerships with Chedda's innovative approach to finance, we aim to revolutionize the way people travel and transact in the digital age."

The partnership between Chedda and Jetvoy represents a significant step forward in bridging the gap between travel and cryptocurrency, offering users a seamless and rewarding experience. As both companies continue to innovate and push the boundaries of what's possible, users can expect even more exciting developments in the future.
