

CM Club Hits the Beach in Style with Its New Golden Beach Collection: Luxe Tops Proudly Made in the USA

Miami, Florida May 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - Choice Members Club Hit The Beach In Style With CM Club's New Golden Beach Collection

Big news for the movers and shakers! **Choice Members Club**, your go-to spot for networking and socializing, is excited to introduce its latest fashion line – the [Golden Beach Collection](#), proudly made in Miami. This isn't just any launch; it's a celebration of style, success, and the go-getter spirit that defines our CM Club members.

Crafted with love in the USA, using the most divine Italian fabrics, each piece is a testament to what CM Club stands for – sheer excellence and a flair for the extraordinary. That's the Golden Beach Collection for you. CM Club has outdone itself, bringing to the table beach tops that are more than just clothing.

This collection is more than just threads and fabric. It's a lifestyle, a declaration that you're here, you've made it, and you're not afraid to show it. It is a testament to unmatched craftsmanship and sartorial elegance. The collection features beach tops for women, as well as sumptuous sleep masks for both women and men. The silk brings a splash of luxury to any outing, and the viscose keeps you comfy as you navigate the busy entrepreneur's lifestyle. It's all about elegance, comfort, and a sprinkle of indulgence, reflecting the high standards you hold for yourself.

CM CLUB: NOT JUST A CLUB, IT'S A REVOLUTION

[Choice Members Club](#) is a vibrant community that brings together entrepreneurs and business professionals across the United States and Europe, with its most popular hubs situated in the bustling metropolises of Miami and New York City creating a dynamic network where collaboration knows no bounds.

With the introduction of the Golden Beach Collection, the club is making a statement beyond just fashion; it's extending its reach to all, not just its members. This initiative is about offering fashion that matches the ambition and achievements of social club members, reinforcing CM Club's status as a key networking and style destination.

ALEXANDRA STEPANCHUK (ALE STEF)

Designer **Ale Stef**, the founder of CM Club, seamlessly intertwines her passion for fashion with her vision for community-building. Her expertise in the fashion industry extends beyond her eponymous label to include the creation of the CM Club brand. As a testament to her multifaceted talent, **Ale Stef** introduces the Golden Beach Collection. Starting her fashion path in 2014, Alexandra has been a force in the fashion world, captivating audiences at Moscow and Riga Fashion Weeks. In 2015 she moved to NYC and presented leather swimsuits as part of the fashion collection alongside Adrian Alicea at New York Fashion Week. It was a testament to her passion for fashion and her ability to dream big on a global stage.

TETIANA MENZHERES: CRAFTING ELEGANCE BEYOND BOUNDARIES

Tetiana Menzheres stands out as a refreshing voice in fashion, celebrated for her innovative designs and stylish sensibility. Her contributions to the Golden Beach Crop Tops highlight her knack for blending comfort with chic, creating timeless pieces that don't just look good but are an ode to the modern lifestyle. This golden collection is the collaborative creation of two designers, showcasing beach tops for women, along with luxurious sleep masks for both genders.
