

## **Discover David Boudreaux's New Book "Safe and Secure in the Hands of Jesus"**

This book "Safe and Secure in the Hands of Jesus" is a re-write of the book "Heaven Bound" that was published a couple of years ago.

The background of the cover is a sunset over a body of water, with two hands cupped together in the center, holding a glowing, golden orb. The text is overlaid on this image.

*Safe*  
AND  
*Secure*  
in the Hands of  
JESUS

**Los Angeles, California Apr 28, 2024 ([IssueWire.com](http://www.IssueWire.com))** - This book “Safe and Secure in the Hands of Jesus” was written in order to help those who are seeking to find God and His plan for their lives. If you have been feeling like there is something missing in your life but you can’t figure out what it is, then this book has the answers you seek. If you have had religious experiences in the past, but you aren’t sure if that experience resulted in your salvation then, this book is for you.

If you are a religious person, but you can’t say for sure whether you have been born again or not, then you should read this book. In these pages are all of the answers to the questions around the Gospel (Good News) concerning salvation through Jesus Christ and His promise to the believer about eternal life in heaven.

Many religious organizations believe that the only way to be saved from sin is to be as good a person as you can and hope that you have been good enough to make it. Because they believe and teach this they also believe that if you stop being a good person then you also stop being saved. If it were true that your salvation was based on your behavior then your ability to remain saved would also depend on your ability to behave accordingly. The truth is no one can ever be good enough to be saved through their own efforts and therefore if your salvation depended on your behavior no one would ever get saved. Your salvation is not dependent upon your behavior and therefore neither is the sustainability of your salvation. This book provides all the proof from the Bible explaining why salvation can only be obtained as a free gift from God and once God has provided it to you it cannot ever be taken back away from you.

About the Author:

David Boudreaux has a Bachelor of Arts degree in pastoral Theology and is an ordained minister. David has served the Lord faithfully as an evangelist, a pastor and as a recognized author of Christian literature. He is also an aircraft airframe and power plant mechanic; an authorized aircraft inspector and a certified aviation pilot with single and multiengine aircraft ratings. He has written numerous spiritually based books with such titles as “Lord Jesus Please Help Me Find My Happy” and “God’s Marriage and Man’s Divorce” in his efforts to guide his fellow Christian brothers and sisters in Christ down the path to a successful and joyful spiritual life. Some of his work has been featured on “This Week in America” with Rick Bratton, has been displayed at the L. A. Times Festival of Books and the Miami Book Fair and has been in the Publisher Weekly Magazine. David believes his greatest calling is to exercise the gift that the Lord has given him to comprehend the scriptures and help to make them come to life in the hearts and minds of his readers. This year his latest titles “One Nation Under God” and “Safe and Secure in the Hands of Jesus” will be featured at the L. A. Times Festival of Books and the Frankfurt Book Fair. You can find David’s work at many online bookstores or at his new website [boudreauxministries.com](http://boudreauxministries.com).

“Safe and Secure in the Hands of Jesus” is available for purchase on Amazon in paperback.

This book *"Safe and Secure in the Hands of Jesus"* is a re-write of the book *"Heaven Bound"* that was published a couple of years ago. The book is designed to help people understand that God has provided a means of salvation to the world and that salvation is secured for all eternity. This new version has more chapters, better explanations and illustrations and has been properly edited. The book shows the reader convincing evidence from God's Word why once a person accepts Jesus Christ as their savior they will never have to worry about their eternal destiny again. If you have never accepted Christ then you should read this book. If you are already a Christian, but you have wondered away from God then you should read this book. If you have any doubt about where you will spend eternity then this book has all the answers that you are looking for. Your eternal destiny should not, and is not, something you should have questions about.

*"Safe and Secure in the Hands of Jesus"* is David Boudreaux's sixth book including the titles, *"Lord Jesus Please Help Me Find My Happy"* and *"God's Marriage and man's Divorce"*. David is a Vietnam era veteran, an aircraft maintenance technician and inspector, a single and multi-engine private pilot and a Christian author. David earned a bachelor's degree in Pastoral Theology and is an ordained minister. He has served the Lord as an evangelist and a pastor and is earning a reputation for becoming a recognized force in authoring Christian literature. He is the Chief of aircraft maintenance at the Hood Aero maintenance facility in Hood River Oregon and is still preaching and teaching God's Word as well as pursuing his ministry of authoring Christian books. He believes writing for God is his primary calling and the fact that he still lives and works in his community makes it easier for him to communicate God's Word's to his readers. David's work has been featured on *"This Week in America"* with Rick Beaton and was displayed at the 2023 L. A. Times Festival of Books. Some of his work is also scheduled to be displayed at the Miami book Fair and will be featured in a coming edition of *The Publishers Weekly Magazine* later this year.
