

Distinguished Anesthesiologist Greta G. Hanna, MD, Brings Decades of Expertise to Port Washington, New York

Dr. Hanna Offers Top-Tier Medical Care to Tri-State Area

New York City, New York Apr 19, 2024 ([IssueWire.com](https://www.issuewire.com)) - An established anesthesiologist, Dr. Hanna works with patients at her private practice in Port Washington, New York. Armed with a wealth of experience and a dedication to providing exceptional medical care, she is a game-changer for the local healthcare landscape.

Throughout her career, she has garnered a reputation for her compassionate approach to patient care. Her focus on building strong doctor-patient relationships and providing personalized treatment plans sets her apart as a healthcare provider who goes above and beyond for those under her care.

A graduate of Cairo University School of Medicine, where she completed her medical education in 1962, Dr. Hanna brings over six decades of experience to her practice. Her extensive training and education have equipped her with the knowledge and skills needed to navigate the complexities of anesthesiology with precision and care.

Her commitment to her patients' well-being extends beyond state lines, as she holds active medical licenses in New York, New Jersey, and Connecticut. This broad licensing ensures that individuals across the tri-state area can benefit from her expertise, allowing for greater access to high-quality medical services.

In addition to her clinical work, Dr. Hanna is deeply involved in ongoing medical research and education. By staying abreast of the latest advancements in anesthesiology and related fields, she remains at the forefront of her specialty, offering her patients cutting-edge treatment options and innovative care solutions.
