 **Music Promotion**

DISCOUNT OF
20%
ON SOUNDCLOUD PROMOTION SERVICES

 **FROM APRIL 16 TO APRIL 22**

BIG OFF

Los Angeles, Apr 16, 2024 ([IssueWire.com](https://www.issuewire.com)) - Leading music promotion agency around the world, the **Music Promotion Club** is offering a beneficial opportunity for all kinds of music artists. The agency is ready to embark on its special sales even where music artists can get a huge **discount of 20%** on promotional packages. The discount offer is exclusively applicable for music artists on

SoundCloud as the discount will be working on [SoundCloud Promotion Services](#). **Starting from April 16**, this sale offer will stay valid **till April 22** and empower all the rising music artists on the platform who are in dire need of exposure yet have a tight budget to promote themselves.

The latest **discount of 20%** is applicable on all SoundCloud promotion packages offered by the company. **Music Promotion Club** offers a total of four different main SoundCloud packages which are specially designed to empower all kinds of music artists, whether a rapper, a singer, or a DJ. Starting with the **SoundCloud Promotion Services**, there are also other packages like Marketing Weekly Pack, Promotion Package, and lastly, Promotion Weekly Package. Among these powerful packages, the Marketing Weekly Pack and Promotion Weekly Package come with a weekly recurring option. Starting from daily social sharing, and keyword generation to content creation such as paid press releases, blogs, and reviews; each package is filled with promotional features that can empower all kinds of artists on the platform. The packages can offer up to **36K – 37K active listeners**, more than **300 organic Likes** along with **260+ Reposts**. The users who have purchased the top tier packages can also gain the benefits of Email Marketing, Video Creation, Latest Event Promotion and the list goes on. Music artists can also get their customer banners created by professionals.

The best thing about Music Promotion Club is that the agency also offers [Custom packages for SoundCloud promotion](#) with **10% Flat Discount**, catering to the unique needs of each music artist on SoundCloud. For this package, users can freely design their customized package with the things they need the most. **Starting at 15k**, music artists can gain up to **150k plays** at a maximum, and the price of the package will be set accordingly. There is also a feature for content marketing with options like **Premium Press Releases, Music Blogs, Reviews, and Interviews** as well as a golden opportunity to get featured in a renowned music magazine.

Music artists are capable of gaining more exposure with Paid Social media Promotion which takes place via **Google Ads, Facebook, and Instagram** sponsored promotion. Sponsored promotion can help to get up to **9k-18k reach** with just a single ad. Lastly, there is also a service for **Music Website Creation** as the Music Promotion Club knows how much it is to have an official website for emerging artists. By combining all the features, users will get the exact value of the package which is still reasonable. With the latest discount of 20%; music artists can buy every package at a reduced price. The discount offer will stay valid for only a short period from **April 16 to April 22** and music artists are recommended to take complete advantage of it. Grab the offer and see the change.
