

Eran Kessous, MD, Expanding Reach with Montgomery Sports Medicine Center in Maryland

A Leading Expert in Sports Medicine and Orthopedic Care

New York City, New York Apr 12, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Eran Kessous, MD, a renowned sports medicine physician, is making waves in the medical community with his exceptional care and groundbreaking contributions to the field. He serves as the Founder and Director of the esteemed Montgomery Sports Medicine Center in Silver Spring, Maryland, with additional locations in Gaithersburg and Bethesda,

In addition to his medical practice, Dr. Kessous is an appointed Clinical Assistant Professor at Georgetown University School of Medicine, teaching sports medicine and orthopedic medicine to medical residents and students.

Bringing a wealth of experience and expertise to his practice, Dr. Kessous received his Medical Degree

from St. George's University School of Medicine in 1999. He then completed a surgical internship at Mount Sinai School of Medicine in New York.

After three years as a general and orthopedic surgery resident at Tel Aviv Medical Center, Dr. Kessous returned to Boston to fulfill a residency in family medicine at Boston University Medical Center. He furthered his expertise with sports medicine training at Harvard Medical School's Children's Hospital.

Board certified in both family medicine and sports medicine, Dr. Kessous is recognized as a Diplomate of the National Board of Physicians and Surgeons, a testament to his commitment to excellence in patient care.

Throughout his career, Dr. Kessous has worked with a diverse range of athletes and sports teams, from professional to recreational levels. His impressive resume includes providing medical support for events such as the Boston Marathon, the AT&T USA Indoor Track & Field Championships, the Boston Ballet Dance Company, and the Northeastern University Ice Hockey team. Currently, he is a valued member of the medical team for the U.S. Ski Team and the Kirov Academy of Ballet in Washington, D.C.

Beyond his professional accomplishments, Dr. Kessous is known for his philanthropic efforts and community involvement. Notably, he embarked on a challenging climb of Mount Toubkal, North Africa's highest peak, to raise funds for pediatric cancer research.
