

## Experienced Orthopedic Surgeon, Nikhil G. Pandhi, DO, MPH, Leads the Way in Advanced Orthopedic Care in Indiana

With a Commitment to Excellence and Patient-First Ideology, Dr. Pandhi Elevates Orthopedic Surgery to New Heights

**New York City, New York Apr 12, 2024 ([Issuewire.com](https://www.issuewire.com))** - Dr. Nikhil G. Pandhi, DO, MPH, is a board-certified and well-regarded orthopedic surgeon at North Point Orthopaedics in Munster and Crown Point, Indiana. He is also on staff at five local hospitals, transforming the landscape of orthopedic care with his expertise and dedication to his patients.

With a specialization in a wide range of orthopedic procedures, Dr. Pandhi has become a trusted figure in the field of orthopedic surgery in the region. He specializes in reverse total shoulder and anatomic total shoulder replacements, anterior hip replacements, and total knee and partial knee replacements. Complex ligament reconstruction, cartilage restoration, and minimally invasive surgery (arthroscopy) of the shoulder, hip, knee, and elbow are integral to his practice and of great interest.

Having earned his Master of Public Health Degree from the University of Michigan School of Public Health and his Doctor of Osteopathic Medicine Degree from Michigan State University School of Osteopathic Medicine, Dr. Pandhi pursued further specialization in orthopedic surgery at OH Medical

Center at Michigan State University.

During his fellowship in orthopedic surgery sports medicine, he worked with professional athletes as an assistant to the head team physicians from the Detroit Pistons, Detroit Red Wings, and Detroit Tigers at the Detroit Medical Center. Under the tutelage of experts trained in the latest advancements in shoulder, hip and knee surgery, Dr. Pandhi was able to learn from some of the best and brightest leaders in the field of orthopedic surgery.

His commitment to staying at the forefront of orthopedic advancements is reflected in his membership in prestigious organizations such as the American Academy of Orthopedic Surgeons, the Arthroscopy Association of North America, and the American Orthopedic Society for Sports Medicine.

As a sports medicine and joint specialist, Dr. Pandhi utilizes the latest scientific advancements, having had great success with platelet-rich plasma injections, bone marrow aspirate injections, and hyaluronic acid injections. He is committed to exploring all options, only recommending surgery when it is the best option or necessary.

Inspired by his grandfather to explore medicine as a career, Dr. Pandhi was fascinated by the field of orthopedics due to his love for solving complex problems and working with others. Driven by a patient-first ideology and a passion for helping others, he goes above and beyond to ensure that his patients receive timely and personalized care. His dedication to getting individuals back to health and function as quickly as possible is evident in his commitment to seeing injured individuals within 24-48 hours. He also treats pediatric patients with sports injuries and broken bones as well as serves the local community's needs.

When Dr. Pandhi is not with patients, he can be found enjoying quality time with his family, engaging in daily exercise, playing music, and savoring a good cup of coffee. His three children are his greatest accomplishments and inspire him to see the world with open, clear eyes.

Driven by the relationships he creates with his patients and the satisfaction of seeing them resume their lives, Dr. Pandhi's passion in life is palpable. He considers it a distinct privilege to help people return to what they love and improve their quality of life.
