

## **Introducing Serenade: The Inaugural Fragrance by Innovative Designer Saleena Thamani**

Upcoming designer Saleena Thamani is launching her signature perfume line up with the first product called Serenade.

**Bangkok, Thailand Apr 26, 2024 ([IssueWire.com](https://www.issuewire.com))** - Esteemed designer Saleena Thamani proudly announces the launch of her debut fragrance line, with the inaugural scent aptly named "Serenade." This marks a significant milestone in Thamani's illustrious career, as she ventures into the realm of olfactory artistry with her signature blend of sophistication and innovation.

Drawing inspiration from the enchanting allure of Thailand's rich cultural tapestry, Serenade embodies a harmonious symphony of scents that captivate the senses and evoke a sense of timeless elegance. Crafted with meticulous attention to detail and a commitment to excellence, each note in Serenade harmonizes seamlessly to create an unforgettable olfactory experience.

"Serenade is more than just a fragrance; it's a celebration of beauty, individuality, and the essence of Thai culture," says Saleena Thamani. "I wanted to create a scent that not only reflects the vibrancy of Thailand but also resonates with individuals on a deeply personal level, inviting them to embark on a sensory journey unlike any other."

Infused with exotic botanicals, rare essences, and a touch of Thamani's distinctive artistic flair, Serenade exudes an intoxicating blend of floral and woody notes, accented by hints of citrus and spice. From the first spritz to the lingering dry-down, Serenade envelops the wearer in a veil of sophistication and allure, leaving an indelible impression wherever they go.

To commemorate the launch of Serenade, Saleena Thamani is thrilled to offer exclusive pre-booking opportunities for fragrance enthusiasts and connoisseurs alike. Each 50 ml bottle of Serenade is available for pre-booking at an introductory price of 1800 THB, allowing discerning customers to be among the first to experience this exquisite olfactory masterpiece.

For those eager to embark on a sensory journey unlike any other, pre-bookings for Serenade can be made through Saleena Thamani's official website. With limited quantities available, early reservation is encouraged to secure your bottle of this coveted fragrance.

Join Saleena Thamani as she unveils her vision of beauty, elegance, and innovation through the enchanting allure of Serenade. Embrace the essence of Thai culture and indulge your senses in a symphony of scents that is as unique and captivating as you are.
