New York City, New York Apr 11, 2024 ([Issuewire.com](https://www.issuewire.com)) - Sumon Ahmed, in collaboration with a team of educators, is thrilled to announce the launch of "[Toddler Games 2-4 Year Olds](#)" on iOS English Stores. This innovative app is meticulously designed to transform learning into an adventure for toddlers aged 2 to 4 years old.

Toddler Games 2-4 Year Olds offers a comprehensive curriculum covering essential early learning topics such as ABCs, numbers, colours, shapes, animals, and more. With 22 educational topics and 12 engaging games, this app fosters cognitive development, boosts memory, enhances motor skills, and lays a solid foundation for preschool success.

Key Features:

- Learning Topics: Alphabet, Numbers, Colors, Shapes, Animals, Body Parts, Food, and more!
- Fun Games for Little Learners: Flashcards, Balloon Pop, Matching, Puzzles, and more, all designed to develop memory, motor skills, and early learning concepts.
- Parental Love: Safe and ad-free environment, offline play for learning anywhere, easy for toddlers to use independently, and detailed progress reports to track your child's development.

Sumon Ahmed's [Toddler Games 2-4 Year Olds](#) is not only educational but also entertaining, providing a seamless blend of learning and fun for young children. The app sparks a learning adventure through ABCs, 123s, colours, shapes, words, and phonics, catering to children aged 1 to 6 years old.

"We are excited to offer parents and caregivers a valuable tool that makes learning enjoyable for toddlers," said Sumon Ahmed, the developer behind the app. "Our team has put great effort into creating an app that is both educational and engaging, helping children develop essential skills while having fun."

The app also includes over 450 colourful flashcards, 12 interactive games, detailed progress reports, and offline play functionality, ensuring a safe and secure learning experience for children.
