

ITF Media Group Undergoes Strategic Restructuring with Guidance from Amamri Lawyers

New Delhi, Delhi Apr 26, 2024 ([IssueWire.com](https://www.issuewire.com)) - ITF Media Group, a prominent media conglomerate based in North India, has successfully completed a strategic restructuring initiative with the guidance and support of Amamri Lawyers, a leading legal advisory firm.

The restructuring effort represents a significant milestone in ITF Media Group's journey, positioning the company for enhanced competitiveness and sustainable growth in the dynamic media and entertainment landscape of North India.

As one of the foremost media houses, private film studios, and digital marketing companies in the region, ITF Media Group recognized the need for strategic realignment to capitalize on emerging opportunities and drive innovation. Leveraging the expertise of Amamri Lawyers in corporate law and strategic planning, ITF Media Group embarked on a comprehensive restructuring process aimed at optimizing operational efficiency and maximizing value creation.

The successful completion of the restructuring process underscores ITF Media Group's commitment to excellence and innovation," said Keith Gupta, Co-founder at ITF Media Group. "We are well-positioned to leverage our diverse portfolio and drive sustained growth in the competitive media landscape."

With the strategic realignment facilitated by Amamri Lawyers, ITF Media Group is poised to build upon its strong foundation expand its presence across various media platforms, and plan to launch for IPO in the next financial cycle.
