# EMPOWER YOURSELF A BETTER YOU

JASON A SIMPSON

**Providence, Rhode Island May 2, 2024 ([Issuewire.com](https://www.issuewire.com))** - Renowned musician and entrepreneur, Jason Simpson, professionally known as Apollo The Boss, has captivated audiences with his music and now aims to inspire with his forthcoming book, "Yourself; A Better You." Scheduled for release next month, the book delves into the realms of mental health and empowerment, reflecting on his personal journey of reconditioning while incarcerated.

After spending five years in federal prison, Apollo The Boss emerged with a renewed sense of purpose. Determined to be a positive force in his community, he resolved to be a beacon of inspiration rather than a part of the problem. His experiences led him to focus on empowering others and addressing mental health challenges prevalent in society.

Since his release just 14 months ago, Apollo The Boss has wasted no time in making his mark. Establishing two successful businesses, he has proven his commitment to personal growth and community upliftment. Simultaneously, he has embarked on the production of his own drama series set to stream on popular platforms like Amazon Prime and Tubi.

Apollo The Boss's upcoming book is poised to be a testament to his resilience and dedication to personal transformation. Through his words, he aims to not only share his story but also provide practical insights and guidance to those facing similar struggles. With his book and TV series on the horizon, Apollo The Boss continues to inspire and shape a narrative of hope and empowerment for all.
