

Join LukasMoH's 'clubHouse' to Enter into an Enthralling Dimension of Deep House Music

Join an enthralling journey of house and techno with Weiterstadt-based DJ LukasMoH who has just dropped a brand new one-and-a-half-hour long set called, 'clubHouse'.

Weierstadt, Hessen Apr 28, 2024 ([Issuewire.com](https://www.issuewire.com)) - There is something about German DJs and music producers who always seem to know the rhythm of the masses. Being one of the top of them, LukasMoH has come up with a brand new composition that is currently buzzing among global listeners. The latest flavorful set is titled '[clubHouse](#)' which consists of absolute creativity and a constantly evolving soundscape. It is a huge set that comes with a clock time of 1 hour and 26 minutes, perfect for little house parties and enhancing the mood in the club. Being one of the most versatile DJs from Germany, the artist knows how to subtly tune his arrangement without making it overwhelming for the listeners. The whole composition is very organic and consists of a lot of song samples and vocal inputs which makes it sound more alive.

While 'clubHouse' starts with a softer house groove, the composition catches a faster and tighter groove later which makes it more powerful and intriguing. There are immersive use of percussion and dubstep which offers a head-bopping essence and soon enough, it invites listeners to join the dance floor. The whole composition is made on DENON SC Live 4 which is LukasMoH's current weapon to create a huge musical arsenal. He is constantly working on his craft and is willing to offer more captivating compositions in the coming. Some of his acclaimed works are 'Tresor_Berlin', 'Tresor2880', 'DJLife', etc many others.

Hailing from Weiterstadt, LukasMoH specializes in House and Techno music which allows him to

resonate with the hearts of the global music and party-lovers. The artist was heavily influenced by American hip-hop music till 1994 and then he found his passion in electronic music. Follow this talented artist on [SoundCloud](#) and [TikTok](#) to learn more about his music. The DJ can be also found on [Facebook](#), [Instagram](#), as well as [X](#).
