

Jointomart Launches New Jobs Platform for Skilled Workers and Freelancers

A UK-based company offers a comprehensive jobs platform for manual and personal assistance for all spheres of life. The company features hundreds of freelance talents, odd jobs, handymen, and more.

London, United Kingdom Apr 17, 2024 ([Issuewire.com](https://www.issuewire.com)) - Jointomart, the leading online marketplace for various services, has recently launched a new job platform that offers endless opportunities for skilled workers and freelancers. The website caters to a wide range of services such as

handymen, plumbers, electricians, property management, cleaners, and many other labouring jobs, as well as remote workers and freelance talents. This platform is open to people of all backgrounds and qualifications, providing a level playing field for those seeking employment and extra income.

With the current state of the economy, many people are looking for ways to supplement their income. Jointomart's new jobs platform offers a solution for those who are fully employed but still want to earn extra cash. The platform provides a diverse range of job opportunities, making it easier for skilled individuals to find work in their respective fields. Whether you are a professional looking for a side hustle or a freelancer seeking new projects, Jointomart has something for everyone.

The launch of this new jobs platform is a significant step for [Jointomart](#) in expanding its services and catering to the needs of its users. The platform aims to bridge the gap between skilled workers and those in need of their services, creating a win-win situation for both parties. With the rise of the gig economy, Jointomart's new platform provides a convenient and efficient way for individuals to find work and for businesses to hire skilled workers.

What should users know about the platform?

- A revolutionary job platform that connects freelance talent with clients seeking help with remote work and manual labour.
- Professionals with skills can use this platform to find work and showcase their abilities, no matter how experienced they are or how just starting.
- This platform allows users to browse through a wide range of job opportunities, from manual labour tasks to virtual tasks.
- Jointomart jobs platform for anyone, whether they're carpenters, web developers, bookkeepers, graphic designers, or digital marketers.
- The appeal of this platform lies in its simplicity and accessibility. Users can create profiles, browse job listings, and connect with potential clients in just a few clicks.
- Simplifying the process of finding work, so freelancers can focus on what they do best.

"It is an exciting time for everyone. The launch of this new job platform will provide endless opportunities for skilled workers and freelancers. For people who just bought new appliances or equipment for their homes or offices. Through this platform, everyone now can post handyman jobs such as mounting TVs on walls, repairing, painting, and cleaning based on how they can afford to pay for them. Many professionals and service providers are waiting to apply for these positions on the platform. The company's goal is to create a platform that is accessible to everyone, regardless of people's background or qualifications. It is a platform that will not only benefit individuals seeking employment but also contribute to the growth of the gig economy," said [Babatunde Olonade](#), the Founder and CEO of Jointomart.

Jointomart's new jobs platform is now live and ready for use. Interested individuals can sign up and start browsing through the various job listings. With its user-friendly interface and diverse range of job opportunities, Jointomart is set to become the go-to platform for skilled workers and freelancers.
