

Kelly McNally, MD, Bringing Expertise to Women's Healthcare at Greenwich Hospital

Expert in Family Planning and Labor & Delivery Delivers Exceptional Care to Patients

New York City, New York Apr 19, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Kelly McNally, MD, is a highly skilled obstetrician-gynecologist on staff at Greenwich Hospital, a prominent member of the esteemed Yale New Haven Health System. With licenses to practice medicine in both New York and Connecticut, she is known for her compassionate patient care and clinical acumen.

Dr. McNally's passion for women's health and her drive to empower patients to make informed decisions about their well-being are evident in her approach to care. Patients can trust in her expertise to guide them through every stage of their reproductive health journey, from family planning to pregnancy and childbirth.

With an academic journey marked by excellence, Dr. McNally earned her Bachelor of Science Degree in Biopsychology from Tufts University in 2013, followed by her Medical Degree from Albert Einstein College of Medicine in 2019. Her commitment to advancing her knowledge and skills led her to complete a rigorous residency in obstetrics and gynecology at the prestigious Icahn School of Medicine at Mount Sinai from 2019 to 2023.

Fluent in both English and Spanish, Dr. McNally ensures effective communication and understanding with a diverse range of patients. Her ability to connect with individuals from varied backgrounds underscores her unwavering dedication to providing personalized and comprehensive healthcare services.
