

Kidd Squid Brewing Company announces May 2024 Events

Talks, art installations, music and events at Kidd Squid Brewing Company

Southampton, New York May 7, 2024 ([IssueWire.com](https://www.issuewire.com)) - Kidd Squid Brewing Company Announces May 2024 Lineup of Music and Events

The Kidd Squid Brewing Company is delighted to unveil its May 2024 lineup of music and events, promising a month filled with entertainment, education, and community engagement. All events will take place at Kidd Squid's tasting room, located at 11 Spring Street in Sag Harbor, NY, in collaboration with the Sag Harbor Garden Center. Attendees can look forward to dog and kid-friendly environments, with all events being free to the public.

Grainne Coen, Co-founder of Kidd Squid, expressed enthusiasm for the upcoming events, stating, "We are thrilled to present our May lineup as we enter our second Spring in Sag Harbor. May is the perfect time to enjoy our libations while connecting with the vibrant community of the East End. From talented musicians to thought-provoking lectures and artistic showcases, there's something for everyone to enjoy."

The May calendar of events includes:

May 1, 7 - 9pm: Squiddle Me This Trivia Night with Think Inc. Trivia 2024 Season Opener - Test your knowledge and compete for prizes in this lively cultural trivia event.

May 4, 5 - 7pm: Live Music with Alfredo Merat - Experience the passionate Latin-flavored compositions of Alfredo Merat in an evening of chill vibes and captivating melodies.

May 8, 7 - 9 pm: Squiddle Me This Trivia Night with Think Inc. Trivia - Another opportunity to showcase your trivia skills and win exciting prizes.

May 9, 6 - 7:30pm: Cornell Cooperative Extension Marine Program's Brewery Lecture Series: Oysters - Join Aquaculture Specialist Kate Ros aty Emil si-Snook as she shares insights on the importance and restoration of oyster beds while enjoying local brews.

May 10, 7:30 - 9pm: Sag Harbor Bathtub Project - Experience the creativity of the Guild Hall Teen Arts Council and architect Nilay Oza through public art installations and exhibits addressing local climate resilience.
