

Luxury Mental Health Practice Takes Atlanta by Storm: Meet Rebecca Johnson Osei, PsyD, ABPP

Leading Clinical Psychologist Launches High-End Practice Catering to High Achieving Individuals

New York City, New York Apr 17, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Rebecca Johnson Osei is a board certified clinical psychologist, therapist, and life coach assisting clients in shaping the next stages of their lives while coping with complex mental and emotional issues. She is the Founder of Concierge Psychology, a luxury mental health practice in Atlanta, Georgia, renowned for its commitment to providing top-tier in-office and telehealth services.

With active licenses in both Georgia and California, Dr. Osei has garnered a reputation for her exceptional work with a diverse clientele base, ranging from homeless veterans to high-profile individuals. She currently focuses on work with high achieving individuals to help them thrive in all aspects of their lives.

"I wanted to do more than just build a practice where anyone could feel safe and comfortable getting the support they need, I wanted to build a practice that reflected the same level of luxury and service you expect in other areas of your life."

After graduating summa cum laude with a Bachelor of Science Degree in Psychology and minors in

English and Biology from the University of Massachusetts, Dr. Osei further honed her expertise by obtaining a Master of Arts and a Doctor of Psychology in Clinical Psychology from the California School of Professional Psychology.

Her commitment to continuous learning and development is evident in her training in Recovery Oriented Cognitive Therapy and Certificate of Intensive Training in Motivational Interviewing, which she combines with her solid foundation in Cognitive Behavioral Therapy (CBT) to tailor personalized treatment plans for each client. In addition, Dr. Osei has a passion for working with new and soon-to-be parents and has completed the Postpartum Support International Perinatal Mental Health 2-Day Certificate Course.

Her professional journey includes extensive experience across various mental health settings, including adolescent treatment centers, correctional facilities, substance-abuse treatment, community mental health facilities, sex-offender treatment, crisis services and in-patient settings. Dr. Osei has successfully assisted individuals with dual diagnoses, severe mental health disorders, substance abuse issues, trauma survivors, and more. In these various settings, she has provided individual therapy, group therapy, assessment, treatment planning, crisis intervention, family therapy, and couples counseling, positioning her as a premiere provider of concierge and VIP psychotherapy in Florida, Georgia, and California.

Beyond her clinical practice, Dr. Osei is a passionate educator and advocate for mental health awareness. She shares her knowledge through lectures, public speaking engagements, and media appearances on reputable platforms like Fox News, BBC, and WSB-TV News. Additionally, she has been featured in esteemed publications such as Modern Luxury Medicine + Doctors, Voyage LA, and Jezebel, highlighting her expertise and dedication to improving mental health outcomes.

Dr. Osei's unwavering dedication to empowering her clients to thrive in all aspects of their lives has set Concierge Psychology apart as a beacon of excellence in the mental health landscape. With a focus on delivering personalized, luxury mental health services, she continues to make a profound impact on the well-being of individuals seeking holistic and transformative support.
