

Mark White, MD, FACR, Leading the Way in Advanced Imaging at Associated Radiologists, Ltd.

Board Certified Radiologist Brings Over Four Decades of Experience to Patients in Arkansas

New York City, New York Apr 17, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Mark White is a key member of the team of highly qualified radiologists at Associated Radiologists, Ltd. in Jonesboro, Arkansas. His affiliations extend to prestigious medical centers such as St. Bernards Imaging Center, St. Bernards Medical Center, and Unity Health-White County Medical Center.

Associated Radiologists, Ltd. is a proud member of St. Bernards Medical Group as well as a proud provider of innovative medicine to patients across Northeast Arkansas. Founded in 1974, the practice was built on the foundation of offering the best radiologic services possible by caring and qualified physicians.

Dr. White's journey into the field of radiology began at the University of Arkansas for Medical Sciences, where he graduated with his Medical Degree in 1987. Following his internship at UAMS Hospital in Little Rock, he further honed his skills by completing a residency in diagnostic radiology at the University of Texas Medical Branch Hospital in Galveston from 1987 to 1992.

As a Diplomate of the American Board of Radiology and a Fellow of the American College of Radiology (FACR), Dr. White brings a wealth of knowledge and expertise to his practice. His commitment to providing the highest standard of care is reflected in his continuous pursuit of advanced training and his passion for utilizing the latest technology in diagnostic imaging.

Patients can trust that they are in capable hands when seeking radiologic services from Dr. White. His expertise and dedication ensure accurate diagnoses and personalized care tailored to each individual's needs.
