Get to know Pathologist Dr. Mohammad Raoufi, who serves patients throughout the State of Michigan.

New York City, New York Apr 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Raoufi is a board-certified pathologist with Henry Ford Health System.

With his extensive medical training and compassionate approach, Dr. Raoufi offers personalized healthcare solutions tailored to each patient's unique needs. His commitment to patient well-being extends beyond traditional medical practice, as he prioritizes building trusting relationships and fostering open communication.

Throughout his academic career, Dr. Raoufi graduated with his Medical Degree from Iran University of Medical Sciences in 1994. Subsequently, he relocated to the United States, performing his residency in anatomic and clinical pathology at Henry Ford Hospital from 2006 to 2010, followed by his fellowship in GI and liver pathology at Mt. Sinai in New York in 2010.

Following his training, the doctor attained board certification in anatomic and clinical pathology through the American Board of Pathology (ABPath). The mission of the ABPath is to promote the health of the public and advance the practice and science of pathology by establishing voluntary certification standards and assessing the qualifications of those seeking to practice the specialty of pathology.

Pathology is a branch of medical science that involves the study and diagnosis of disease through the examination of surgically removed organs, tissues, bodily fluids, and in some cases, the whole body. Pathologists are physicians who specialize in the diagnosis and management of diseases by laboratory methods.

Above all, Dr. Raoufi credits his accomplishments to maintaining a clear vision and defined goals, coupled with steadfast commitment, consistency, and discipline.
