

Robert Smith Howard II, MD, Diagnostic Neuroradiologist with Radiology Associates Clearwater

Renowned Radiation Oncologist, Dr. Robert Smith Howard II, Brings Over Three Decades of Expertise to Clearwater, Florida

New York City, New York Apr 12, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Robert Smith Howard II, a distinguished diagnostic neuroradiologist with 30 years of experience, is set to make a significant impact in the field of neuroradiology in Clearwater, Florida. Dr. Howard, a proud graduate of the University of Kentucky College of Medicine, completed his residency with the prestigious University of Pennsylvania Health System, further solidifying his expertise in the field.

Dr. Howard's commitment to providing exceptional care to his patients is evident through his affiliation with Morton Plant Mease Health System, a renowned healthcare institution known for its high-quality patient care. As a certified member of the American Board of Radiology, Dr. Howard brings a wealth of knowledge and skill to his practice at Radiology Associates Clearwater, where he continues to make a difference in the lives of those battling neurological diseases.

With a focus on utilizing advanced imaging techniques such as fMRI, Dr. Howard offers cutting-edge diagnostic imaging techniques to his patients, ensuring that they receive the most effective and personalized care possible. His dedication to staying current with the latest advancements in Neuroradiology allows him to provide innovative solutions that cater to each patient's unique needs.

Dr. Howard's passion for his work is evident in the positive outcomes he achieves for his patients, as well as in the lasting relationships he builds with them. His compassionate approach to care, coupled with his extensive experience, has earned him a reputation as a trusted and respected physician in the community.

Dr. Robert Smith Howard II has recently retired from clinical practice. His unwavering dedication to his patients and his passion for advancing the field of diagnostic neuroradiology make him a valuable asset to the healthcare landscape in the region.
