London, United Kingdom Apr 25, 2024 ([Issuewire.com](https://www.issuewire.com)) - We are thrilled to announce that Jasdeep Singh, our Assistant Accountant, has been honoured with the prestigious Founders Pledge Award from The 5% Club. This accolade was presented by Leo Quinn, Chief Executive of Balfour Beatty plc, during the 10th-anniversary celebrations of The 5% Club. The award is a testament to our commitment to nurturing young talents and developing future industry leaders.

The 5% Club, initiated by Leo Quinn in 2013, champions the inclusion of 'earn and learn' opportunities, aiming to significantly reduce youth unemployment and skill shortages in the UK. It encourages companies to commit to having at least 5% of their workforce enrolled in apprenticeships, sponsored student schemes, or graduate programmes.

Jasdeep's recognition comes under the astute mentorship of our CEO, Sat Nijjer, who will continue to guide him over the next 12 months.
