

Sat Nijjer, CEO of Fortel Group Announces Management Team Promotions

Sat Nijjer, CEO of Fortel Group added: “We are just thrilled to be able to promote Harvey and Tej - two longstanding, passionate and hard working team members.

West Midlands, United Kingdom Apr 23, 2024 ([Issuewire.com](https://www.issuewire.com)) - Fortel, the leading supplier of labour across UK construction, have today announced the promotion of two well known faces within the industry, Harvey Deo and Tej Nijjer as the business continues to expand.

Harvey, who has worked his way up the ranks for Fortel Group for over 22 years, has been promoted from Senior Contracts Manager to Head of Regional Infrastructure and Recruitment, ensuring we support clients to deliver successful projects across the UK.

Tej, who brings over 20 years of experience and numerous achievements in the industry is now Head of Major Infrastructure. Tej will play a vital role in overseeing and supporting all major UK infrastructure projects and accounts at Fortel Group, ensuring they receive the very best service from the Groups teams at Fortel, Nexus and SkyBlue.

Tej said: “I sincerely welcome my new appointment and am looking forward to working with key clients, stakeholders and supply chain partners in supporting major infrastructure projects across various sectors.

“In these difficult economic times, I'm passionate about collaboratively adding value, and engaging with those communities which are under-represented, and demonstrating all the construction industry has to

offer for them and for future generations,” he added.

Harvey added: “This is a great achievement for us both and we are very excited to be taking on these new roles, and being able to make a positive impact within the industry.”

Sat Nijjer, CEO of Fortel Group added: “We are just thrilled to be able to promote Harvey and Tej - two longstanding, passionate and hard working team members. It's exciting to be able to make this announcement to colleagues and clients who we know will support them in their new roles in the coming months and as we continue to grow the business.”
