

There's a new handyman in town :Curtis Van Driesche and Upfix llc now Chicago based

Chicago, Illinois Apr 7, 2024 ([IssueWire.com](https://www.issuewire.com)) - With a year plus pro handyman experience Curtis Van Driesche is a north side Chicago based business owner. The mission statement is customer satisfaction and honesty.

There's a lot of dishonest handy people and here at Upfix llc ([Upfixllc.com](https://upfixllc.com)), we want to change that.

With competitive pricing and a good track record and 4 plus star ratings consistently we encourage you to get connecting for an estimate on your home improvement projects!

Originally from the Pacific Northwest Curtis Van Driesche is now Chicago based for your home improvement needs.

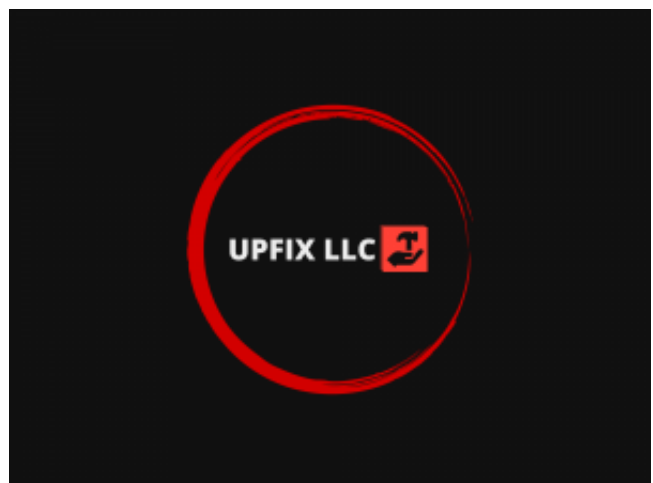

With free home improvement education initiatives and supporting of the charity stop solider suicide honesty is the mission statement!

Let today be the day you get your Improvement problems solved as best you can!

Growth centric skill training moves forward the company and hopefully there will just be bigger and bigger builds in the future.

About the owner.Curtis Van Driesche has overcome mental illness and supports charity. When a build went side ways and Curtis got screwed he said to himself to learn the trades so it never happens again. Curtis fell in love with tools and hard work and never looked back.
