

Tides of Change, Waves of Hope: Art Exhibition Inspiring Ocean Conservation

The Tides of Change Waves of Hope Art Exhibition April 22nd through July 7th, 2024, curated by izzy Church of 3rd Culture Productions

New York City, New York Apr 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Izzy Church, acclaimed actor, writer, and artist, is thrilled to announce the endorsement of her company, 3rd Culture Productions, by the UN Decade of Ocean Science for Sustainable Development 2021-2030 for the Tides of Change, Waves of Hope Art Exhibition. This endorsement marks a significant milestone, highlighting our initiative's global

importance and impact, which champions ocean conservation and inspires meaningful action for a brighter, more sustainable future.

"Dive into the transformative world of Tides of Change, where art intertwines with advocacy to commemorate the Ocean Decade," says curator Izzy Church. "Through captivating exhibits, we delve into the heart of our oceans' challenges, weaving tales of hope amidst tragedy. Join us in igniting waves of hope as we journey into the deep blue and chart a vertical course toward a brighter, more sustainable tomorrow."

The Exhibition seeks to stimulate ocean science and knowledge generation to reverse the decline of the state of the ocean system, catalyze new opportunities for sustainable development of this massive marine ecosystem, and deliver science-based solutions to achieve the 2030 Agenda.

Tides of Change, Waves of Hope: Art Exhibition will be hosted by Art on the Ave, NYC creative spaces, situated on three levels within the bustling Fulton Center at 200 Broadway, New York, from April 22 to July 7, 2024. Open to the general public; the Exhibition is expected to attract the attention of over 15 million people who visit New York City's financial district. This unique setting provides an ideal platform to showcase our participating artists' profound talent and message on a global scale. Additional sponsors include the Reef Life Foundation.

The Exhibition features artworks by diverse artists, including Alfons Rodriguez, Annette Solakoglu, Craig Anthony Miller, George Goodridge, Ian Hutton, Izzy Church, Jamie Pomeranz, Selva Ozelli, and many more (the complete list is provided below).

The Tides of Change: Art Exhibition Inspiring Ocean Conservation launch will take place on Earth Day: Date: Monday, April 22, 2024

Earth Day 2024's theme, "Planet vs. Plastic," underscores global efforts to combat plastic pollution. Over 400 million tons of plastic are produced every year for various applications.
