India eVisa Application

New Delhi, Delhi Apr 17, 2024 ([Issuewire.com](https://www.issuewire.com)) - Foreigners can apply for urgent Indian Visas for immediate reasons which can be for self-illness, anyone's death in the family, the illness of a close relative, or presence required in the court, etc. The government of India has now made it simpler for most nationalities to apply for an emergency Indian tourist visa by filling out the application form for tourism, business, and medical visits. This emergency visa requires an in-person visit to the nearest Indian embassy and is given to those foreigners who need to come to the country in a crisis. Get more details about the **URGENT EMERGENCY INDIAN VISA** at: <https://www.visa-india-online.org/urgent-indian-visa/>.

Other than the Emergency visa, the country also offers two kinds of visas. One is a traditional paper visa, meant for longer stays in India, and the other one is an eVisa, meant for shorter stays. When this online visa program started back in 2014, the United Kingdom was a launch member which makes its citizens enjoy the benefits of this program. The **FIVE YEAR INDIAN VISA FOR UK CITIZENS** can be applied for and obtained online, without ever visiting the nearest embassy. Visit <https://www.visa-india-online.org/5-year-tourist-visa-uk-citizens/> for further details. Similarly, the **FIVE YEAR INDIAN VISA FOR US CITIZENS** is also there which requires 3-5 working days from the date of application to be approved. A maximum of 90 days of continuous stay in India is allowed during each visit with this Indian eVisa. Get more details at: <https://www.visa-india-online.org/5-year-tourist-visa-us-citizens/>.

The **INDIAN VISA FOR BRAZILIAN CITIZENS** is given with three purposes, travel, business, and medical care. The Indian Tourist eVisa is available for 30 days, 365 days, or 5 years, and the Business eVisa is valid for 12 months. Get detailed information at: <https://www.visa-india-online.org/indian-e-visa-eligibility/brazilian-citizens/>. The **INDIAN VISA DOCUMENTS REQUIRED** for the approval are uncomplicated and minimal. The requirements are a biometric passport, valid for at least 6 months from the date of departure, a working email address, and a credit or debit card to make the payments.
