

Vault Cares Network Forges Dynamic Partnership with Journey Pure and OMT Addiction Centers

Spearheading Leading-edge Substance Abuse and Mental Health Treatment Solutions for Members

Bloomington, Illinois Apr 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Vault Cares Network, a distinguished subsidiary of Vault Strategies, is thrilled to unveil its strategic collaboration with JourneyPure and OMT Addiction Centers, aimed at delivering pioneering substance abuse and mental health treatments for its esteemed members.

Both JourneyPure and OMT are renowned for advancing overall wellness delivered by a team of top behavioral health experts from across the nation. Their unwavering commitment to ethical practices and patient triumph is reinforced by the industry's highest accreditation standards.

Spanning residential and outpatient facilities in Tennessee, Kentucky, and Florida, alongside OMT Addiction Centers at The Bluffs in Ohio, Swift River in Massachusetts, and Texas Recovery Center, all facilities offer transformative care coupled with inviting accommodations and tailored for individuals grappling with addiction and mental health challenges.

"Vault Cares Network remains steadfast in its mission to deliver superlative treatment avenues to those in need. Our primary focus is on furnishing safe and efficacious interventions, thereby ensuring employers and employees alike reap high rewards with minimal risks," affirmed Dalton Jensen, SVP, Network Development, for Vault Strategies.

Dr. Wind, a venerable figure in clinical psychology at local, state, and national levels, brings two decades of expertise to the forefront. As an adjunct professor at Vanderbilt University, Dr. Wind has played a pivotal role in healthcare technology advancements and currently serves on Journey Pure's executive roster.

"We have been profoundly impressed by Vault Strategies' enduring commitment to offering pragmatic and impactful solutions for their clientele; and we are thrilled to collaborate with them in extending compassionate, forward-thinking addiction care to those in need."

Together, Vault Cares Network and JourneyPure are resolute in their pledge to furnish state-of-the-art substance abuse and mental health interventions to patients globally, heralding a new epoch of therapeutic eminence and reshaping the landscape of patient welfare.

About Journey Pure and OTM Addiction Centers

Founded in 2014, JourneyPure stands as an innovative leader in behavioral healthcare devoted to aiding individuals grappling with substance use and mental health disorders. In partnership with OMT Addiction Centers, the organization operates a comprehensive network of treatment centers across the United States and has been instrumental in pioneering opioid and addiction rehabilitation programs amidst the ongoing opioid epidemic. With corporate offices in Nashville and Murfreesboro, JourneyPure operates five residential rehabs and fourteen outpatient clinics in Tennessee, Kentucky, and Florida.
