

Vishal R. Dhulipala, MD, RPVI CHIP Fellow at The Mount Sinai Hospital

Dedicated Physician Pursues Specialized Training in Complex Cardiac Interventions

New York City, New York Apr 16, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Vishal R. Dhulipala's journey into the field of cardiology began in India, where he earned his Bachelor of Medicine, and Bachelor of Surgery Degree from NTR University of Health Sciences in 2015. His relentless pursuit of excellence led him to the United States, where he completed his residency at The Brooklyn Hospital Center while serving as a Chief resident in his final year, This marked the beginning of a distinguished career in the medical field.

Building upon his solid foundation, Dr. Dhulipala further honed his skills through a fellowship in Cardiovascular diseases and Interventional cardiology at the Mount Sinai Fuster Heart Hospital in New York. He also served as a Chief Fellow during his fellowship. His dedication and passion for advancing cardiac care are evident as he continues his educational journey focusing on Complex and High-risk Coronary Intervention (CHIP) at the same prestigious institution.

One of the hallmarks of Dr. Dhulipala's professional journey is his commitment to staying at the forefront of medical advancements. His status as a Diplomate of the American Board of Internal Medicine in Internal Medicine and Cardiovascular Diseases, the Certification of the Board of Nuclear Cardiology, and the National Board of Echocardiography speaks volumes about his expertise and dedication to providing exceptional patient care. He is also a registered physician in Vascular interpretation.

As he continues pursuing specialized CHIP training, Dr. Dhulipala's contributions to the cardiology field are poised to make a lasting impact. His leadership, expertise, and dedication to advancing cardiac care make him a valuable asset to Mount Sinai Hospital and a beacon of hope for patients seeking the highest quality in cardiovascular treatment.
