

Welcome to the EuroArt office in Saudi Arabia!

Euroart specializes in state-of-the-art door handles and hinges that fit perfectly with any and every type of décor. Our products rank high in both aesthetics and functionality.

Jebel Ali, Dubai Apr 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - [EuroArt](#) has expanded its presence in Saudi Arabia, marking a new chapter with fresh initiatives and objectives. Our establishment is strategically located at Manar Centre in Rakah Ash Shamaliyah, Dammam, KSA. In our pursuit of growth, we are committed to bringing innovative and trending designs in ironmongery, furniture fitting, shower/glass door solutions, and digital locking even closer to our valued clients.

With an on-site inventory exceeding 7,500 square feet, supported by a dedicated team of 7 members, we deliver efficient and exceptional service to our local clients and partners. Since its inception in the UK in the 1980s, EuroArt has not only achieved global expansion but has also nurtured trust and enduring relationships. Our headquarters in Dubai, featuring two expansive stocking facilities—the Al Quoz office as our Sales Centre and the JAFZA office as our Global Distribution Centre—underscore our commitment to excellence.

Branches in #AbuDhabi, #Muscat (#Oman), #Doha (#Qatar), and our latest addition in #Dammam, #KSA, showcase EuroArt's extensive footprint. Notable projects like [Amaala Village staff accommodation](#), the opulent [St. Regis Hotel in Riyadh](#), premium living spaces at [Uptown Society AlkhoyolAlArabia](#), and the resort living experience at [Radisson Blu Resort](#) underscore our dedication to excellence and innovation in ironmongery, furniture fitting, shower/glass door fittings, and Digital Lock Systems.

Recognizing the pivotal role #architects and #designers play in shaping spaces, we are open to

#collaboration, offering a diverse range of #architecturalhardware options to inspire #creativity and elevate #designs. We are passionate about turning visions into reality, and our dedicated team stands ready to support and contribute to the success of your #projects. Challenge us with your #customdesigns, and we will strive to bring them to life!

Let's create more #success stories through collaboration with architects, designers, and #consultants in the region. We invite you to connect with us for your upcoming project specifications. Let's together transform visionary designs into reality!
