

Amber Benson to narrate Raven Belasco's first audiobook BLOOD EX LIBRIS

Boston, Massachusetts May 1, 2024 ([Issuewire.com](https://www.issuewire.com)) - Immoral Influence Publications (IIP) kicks off its summer publication season with a bang by releasing its first audiobook on May 26 (World Dracula Day) 2024. The BLOOD EX LIBRIS audiobook by Raven Belasco will be narrated by Amber Benson and produced by Punch Audio.

Amber Benson is best known for her role as Tara Maclay on the iconic TV series *Buffy the Vampire Slayer*. She has directed, produced, and starred in myriad films and television shows since then. Benson has also written numerous books including *Death's Daughter* and has narrated books for authors including John Scalzi and Cory Doctorow.

When asked about narrating the story, Amber Benson spoke about a connection with the protagonist. "One of the things that I love best about Anushka is that she always maintains her sense of humor. Even when stuff gets totally batshit bananas, she finds something to keep her hope up and to keep moving forward, and I appreciate that. In my life, whenever weird stuff happens, it's like the weird dumb joke and puns and silly things just pop right into my head. I think it is a survival mechanism. I also love how tough she is, and something that I think maybe we forget about when we're reading about it, because of all the fun sexy blood vampire stuff: she's also a librarian. She's such a badass, she loves books, and I also love books—so bibliophiles unite!"

Speaking about the project, Raven said, "Amber is simply the best person to bring Noosh to life, and she brings equal energy and dedication to all the characters, which took a lot of skill. Her reading Blood

Ex Libris makes me feel like I'm listening to something that's really happening, not a story that came out of my head."

BLOOD EX LIBRIS is the first installment of the BLOOD & ANCIENT SCROLLS series. This fresh and unique exploration of the vampire myth rolls smoothly cross-genre to check boxes for fantasy, horror, history, and action-adventure fans.
