

Anibal O. Puente, MD, FACS, Brings Expertise in Minimally Invasive Surgery to Montefiore Medical Center

Enhancing Patient Care in The Bronx

New York City, New York May 22, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Puente is a seasoned general surgeon currently in practice at Montefiore Medical Center in The Bronx, New York.

With a strong foundation in medical education from the University of Rosario School of Medicine in Argentina, he continued his training with a residency at Cabrini Med. Center. His dedication to advancing surgical techniques and patient care has made him a respected figure in the medical community.

Distinguished as a Fellow of the American College of Surgeons (FACS), the doctor is board-certified in general surgery by the American Board of Surgery (ABS). His specialization in minimally invasive surgery allows for shorter recovery times, less postoperative pain, and reduced scarring for patients undergoing procedures.

Among his other roles, Dr. Puente is affiliated with several hospitals in the area, including New York Westchester Square Medical Center and NewYork-Presbyterian/Lawrence Hospital. His collaboration with these institutions ensures that patients in the community have access to his exceptional skills and compassionate care.

Patients seeking treatment for esophageal cancer, gastric cancer, breast cancer, or in need of breast reconstruction or breast surgery can now benefit from Dr. Puente's expertise and dedication to delivering personalized and effective care. His holistic approach to patient care ensures that each individual receives comprehensive treatment tailored to their unique needs.
