

Aretha Henry Releases New Southern Soul Single, Pink Boots

Aretha Henry is dancing her way into a new genre with her first Southern Soul record, Pink Boots.

Jackson, Mississippi May 21, 2024 ([IssueWire.com](https://www.issuewire.com)) - The singer has released largely R&B tracks since her debut in 2010. Her previous R&B single, Can't Stay Away, was re-released at the end of April.

Aretha Henry's new single, Pink Boots, was inspired by a song of the same name that was written and shelved fifteen years ago by the singer-songwriter. Pink Boots was rewritten in May after several

requests from the singer's husband to write a Southern Soul song.
