

Board Certified Internist, Radhwan AlRubaye, MBChB, Pursues Fellowship at the University of Louisville

Internationally Trained Physician and Researcher Focuses on Obesity and Diabetes

New York City, New York May 22, 2024 ([Issuewire.com](https://www.issuewire.com)) - Skilled internist, Dr. Radhwan AlRubaye, MBChB, brings a wealth of experience and expertise to his medical practice. He is licensed to practice

medicine in Georgia, ensuring that patients in these states have access to his high-quality care.

Dr. AlRubaye earned his Medical Degree from the prestigious College of Medicine University of Baghdad in 2004. His commitment to advancing medical knowledge and patient care has led him to the United States, where he is currently pursuing a fellowship within the Division of Endocrinology, Metabolism & Diabetes at the University of Louisville.

During his time in the medical field, Dr. AlRubaye has developed a keen interest in the fields of obesity and diabetes. His dedication to understanding and treating these conditions has garnered him recognition and respect among his peers and patients alike.

From 2019 to 2023, Dr. AlRubaye served as a full-time hospitalist and co-faculty member at Northeast Georgia Health System. His clinical experience in a hospital setting has equipped him with valuable skills and insights that he brings to his current research and practice. He also has good expertise in serving remote hospitals in rural areas, he works as a locum hospitalist in underserved areas to help communities in need get access to health care.

As a diplomat of the American Board of Internal Medicine, Dr. AlRubaye upholds the highest standards of medical practice and patient care. He is an active member of the American Diabetes Association and the American Association of Clinical Endocrinology, staying abreast of the latest advancements in his field. Additionally, he is recognized as a Fellow of the American College of Physicians, showcasing his commitment to excellence in internal medicine.

In addition to his professional accomplishments, Dr. AlRubaye is fluent in both English and Arabic, allowing him to connect with a diverse range of patients and provide personalized care. His multicultural background enriches his perspective and approach to patient care, fostering a welcoming and inclusive environment for all.

Dr. Radhwan AlRubaye, MBChB, is dedicated to improving the health and well-being of his patients through compassionate care and cutting-edge research. His pursuit of excellence in the field of endocrinology and his commitment to advancing medical knowledge make him a valuable asset to the healthcare community.
