

Celebrity Chef Eric Crowley Releases Cookbook and Innovative Video Series Globally for Cooking Lovers

Los Angeles, California May 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - The creator of Chef Eric's Culinary Classroom and famous culinary expert Chef Eric Crowley presents an innovative [online cooking classes](#) option for foodies. Chef Eric, who possesses extensive knowledge in culinary education and a strong desire to promote culinary excellence, launched a comprehensive twelve-episode cooking video series that is offered to learners of all abilities.

Chef Eric Crowley has used his experience to develop a live video series that aims to enable people to learn how to cook from the comfort of their kitchens, in response to the changing environment of remote learning. Every episode is carefully planned to offer comprehensive learning, covering everything from basic abilities and knife handling to fancy culinary ideas and exquisite desserts.

Chef Eric Crowley said, "Our goal at [Chef Eric's Culinary Classroom](#) is to enable people to realize their full culinary capabilities and develop exceptional cooking abilities. With the release of our brand-new video series, we are excited to share our knowledge with foodies all over the world and bring it outside the walls of our physical classroom.

The first segment of Chef Eric's video series focuses on basic abilities, such as Knife skills, where

students learn the specifics of choosing, using, and caring for knives. This is followed by useful applications like dicing, julienning, and mincing. Later episodes explore fundamental cooking elements including Stocks, Grand Sauces, and the craft of Breakfast Foods, giving prospective cooks in-depth training.

Chef Eric places extreme value on customized attention and hands-on learning throughout the series to make sure that every student gets the training and direction they need to reach their culinary goals. Every episode showcases Chef Eric's skills, from perfecting traditional culinary techniques to crafting innovative canapés and sweets.

"In creating this video series, my goal is to share my passion for cooking and empower individuals to develop their culinary skills, regardless of their experience level," says Chef Eric Crowley. "I think we can encourage the next generation of home cooks and foodies by offering easily accessible and interesting information.

The qualifications of [Chef Eric Crowley](#), a highly skilled chef and well-regarded culinary educator, speak for themselves. Chef Eric, who graduated from the Culinary Institute of America, developed his expertise at renowned European restaurants such as Via Veneto in Barcelona and Hotel Kempinski in Munich. In 2003, he established Chef Eric's Culinary Classroom.

Chef Eric's Culinary Classroom is having a special introductory deal in celebration of the opening of the video series. The whole video course is available for \$60 off. Up until the end of the year, individual episodes can also be purchased at a 15% discount.

Chef Eric Crowley's video series seems to be a life-changing experience for foodies who are ready to go out on a culinary exploration. Come cook with Chef Eric and improve your culinary abilities now!
