

Daniel Taiwo Adeneye, MD, Brings Expertise in Nephrology to Four Corners Nephrology

Working Collaboratively with Patients to Develop Personalized Treatment Plans

New York City, New York May 22, 2024 ([IssueWire.com](https://www.issuewire.com)) - Specializing in nephrology, Dr. Adeneye brings a wealth of experience and expertise to Four Corners Nephrology, located in Farmington, New Mexico.

Before embarking on his professional journey, he received his medical degree from the University of Calabar Faculty of Medicine in Nigeria, where he graduated in the class of 1988. Over the years, he has demonstrated a dedication to continuing education and professional growth, earning certifications and licensures in multiple states, including Utah, Arizona, Colorado, and New Mexico. He is a proud recipient of certifications from the American Board of Internal Medicine in both internal medicine and nephrology.

With a deep-rooted passion for nephrology, Dr. Adeneye has honed his skills in diagnosing and treating a wide range of kidney-related conditions. His holistic approach to patient care, combined with his commitment to staying abreast of the latest advancements in nephrology, has earned him a reputation as a trusted and compassionate physician among his patients and peers.

Patients can now schedule appointments with Dr. Adeneye at Four Corners Nephrology's Farmington location, where he is available to provide expert care for a variety of kidney conditions, including chronic kidney disease, hypertension, and kidney stones.
