It's Father's Day jewelry sale time at Treiber & Straub Jewelers. Don't pass up this chance to show the important guys in your life how much you appreciate and adore them.

About the company

The proprietor of Treiber & Straub Jewelers, Michael Straub, started his career with The Zale Corporation and has over 50 years of expertise in fine jewelry. In 1980, he founded an upscale jewelry-focused boutique along with John Treiber. They maintain style and integrity even now, as they are still family-owned. AGS and GIA are two associations in the business that support their store.
