

Dr. Paul S. Chang – A Lifetime of Excellence in Orthopedic Surgery

Providing Specialized Orthopedic Care with a Personal Touch

New York City, New York May 2, 2024 ([IssueWire.com](https://www.issuewire.com)) - A board-certified orthopedic surgeon, Dr. Chang brings a wealth of experience and expertise in orthopedic trauma, sports medicine, and joint reconstruction. With a comprehensive background in managing both surgical and nonsurgical orthopedic conditions, Dr. Chang is committed to delivering high-quality care to his patients at Seacoast Orthopedics & Sports Medicine in Newburyport, Massachusetts.

Graduating from the United States Military Academy at West Point and Northwestern University/Chicago College of Osteopathic Medicine, his career spans over two decades of service in the Army, where he honed his skills as a dedicated line officer and orthopedic surgeon. His extensive training at renowned

institutions such as Walter Reed Army Medical Center and Brooke Army Medical Center has equipped him with a deep understanding of orthopedic care, including complex trauma cases and joint surgeries.

Certified by the American Academy of Orthopaedic Surgery, Dr. Chang remains actively engaged in various orthopedic organizations, including the Orthopedic Trauma Association and the American Association of Hip and Knee Surgeons. His commitment to continuous learning and professional development reflects his dedication to staying at the forefront of orthopedic advancements.

As an Associate Professor of Orthopedic Surgery at The University of Texas Health Science Center at San Antonio, he played a pivotal role in shaping the next generation of orthopedic professionals. His leadership as chief of orthopedics at a prominent veterans hospital underscored his expertise in joint reconstruction and sports medicine, further solidifying his reputation as a trusted practitioner in the field.

Beyond his medical practice, Dr. Chang is known for his compassionate and patient-centered approach to healthcare, prioritizing the long-term well-being of his patients. He values open communication and encourages second opinions to ensure that each individual receives the best possible care tailored to their specific needs.

In his personal life, he is an outdoor enthusiast and a seasoned ski instructor, with a passion for promoting safety and well-being in recreational activities. He and his wife, Mary, reside in Boxford, Massachusetts, where they raise their four children.
