Speaking on the process of selection & methodology, Dr Satya Brahma, Founder Chairman of India Leadership Conclave said “India Leadership Conclave’s objective is very simple & clear. We don’t follow a fixed set of rules of traditional theories of selecting a nominee in the final six list either based on seniority, age or celebrity status. We go by our research, experts advice& bring to light those talent & innovators who never got noticed in mainstream media or recognized. Satya Further said “India Leadership Conclave’s selection criteria is time tested & transparent. Our robust voting mechanism is aimed at bringing a public consensus of the mood of the nation. The Jury & Organizing Committee have taken every possible steps to ensure fair selection.

Conceptualized & instituted in the year 2009 by India’s most respected journalist Dr Satya Brahma, India Leadership Conclave Awards are meant to highlight & celebrate those individuals & companies who’ve risen to the top of their business against all odds. These leadership awards are aimed at empowering the leaders who think differently. This recognition voted by the people of INDIA & subsequent by Jury Board reflect the Winners remarkable achievement & accomplishments as a leader of substance driven by passion, initiative & commitment to deliver excellence.
