

Leading Vascular Surgeon Jean Panneton, MD, Offers Cutting-Edge Care in Norfolk, Virginia

Dual Board Certified Surgeon Provides Comprehensive Vascular Services and Academic Leadership

New York City, New York May 23, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Jean Panneton, a distinguished vascular surgeon with Sentara Vascular Specialists, is dedicated to delivering exceptional care and innovative treatment options for patients with disorders involving the circulatory system, peripheral arteries and veins. With a commitment to compassion and patient-centered care, he offers state-of-the-

art diagnostic and treatment services, setting a new standard in vascular surgery.

Dr. Panneton's illustrious career includes serving as the Fellowship Program Director, Chief of Vascular Surgery, and Professor of Surgery at Eastern Virginia Medical School. His extensive experience includes leadership roles at prestigious institutions such as the Mayo Clinic, where he directed clinical research in the Division of Vascular Surgery and held the position of Associate Professor of Surgery at Mayo Medical School.

A distinguished academic, Dr. Panneton earned his Medical Degree from Université de Montréal Faculty of Medicine in 1987 and completed his residency in general surgery and fellowship in vascular surgery at the University of Montreal from 1987 to 1993. He further honed his skills through fellowships at the Mayo Clinic in Minnesota and the University of Glasgow in Scotland, solidifying his expertise in complex vascular procedures.

As a Diplomate of the American Board of Surgery and a Fellow of both the American College of Surgeons and the Royal College of Surgeons of Canada, Dr. Panneton's credentials attest to his exceptional skill and dedication to the field of vascular surgery. He is an active member of numerous professional organizations, including the Canadian Medical Association, Association des Chirurgiens Généraux du Québec, the Canadian Association of General Surgeons, the Canadian Society for Vascular Surgery, the Minnesota Medical Association, the Mayo Alumni Association, the Peripheral Vascular Surgery Society, the Priestley Society, the Society for Clinical Vascular Surgery, the Manitoba Medical Association, the European Society for Vascular Surgery, the Canadian Association of University Surgeons, the International Society for Endovascular Specialists, the International Society for Cardiovascular Surgery, the American Association for Vascular Surgery, Société de Chirurgie Vasculaire, the Midwestern Vascular Surgical Society, the International Union of Angiology, the Christian Medical and Dental Associations, the Society for Vascular Surgery, Société Française d'Angiologie, the Chesapeake Medical Society, the Medical Society of Virginia, the Virginia Vascular Society, and the Southern Association of Vascular Surgery, contributing his expertise to advance the practice of vascular surgery both nationally and internationally.

Dr. Panneton's contributions extend beyond the operating room, as he has participated in groundbreaking trials and published extensively on various vascular surgery topics. His reputation as an expert in repairing thoracic dissection and aneurysms, complex arch vessel reconstruction, and endovascular procedures has earned him recognition as a leading innovator in the field.

When not advancing the field of vascular surgery, Dr. Panneton enjoys boating, spending quality time with his family, and exploring new destinations through travel. His dedication to excellence in patient care and his unwavering commitment to advancing vascular surgery make him a respected figure in the medical community.
