

Learn Everything About Turkey eVisa Before Planning Your International Tour

Istanbul, Turkey May 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - The Ministry of Foreign Affairs of the Republic of Turkey initiated the Turkey eVisa program back in 2013 in order to help foreign citizens. Global citizens are no longer required to visit the local Turkish Embassy to generate the visa as it is now available through a simple online process. Therefore, it can be done at any place and any time with the help of the website and the online portal. It is available for all Asian countries such as TURKEY VISA FOR SRI LANKA CITIZENS can be easily obtained from <https://www.visa-turkey.org/turkey-visa-eligibility/sri-lankan-citizens/>. The online document allows visiting the country for multiple purposes and offers an uninterrupted stay of 30 days in the country.

Similarly, European countries can also take complete advantage of the services. A Turkey Visa for Cypriot Citizens can be found at <https://www.visa-turkey.org/turkey-visa-eligibility/cypriot-citizens/> which offers the same benefits only. The applicants are requested to have an active passport of at least six months of validity in order to get approval for the document. It is important to further explore more about Turkey eVisa before entering the country as it comes with some strict rules and regulations. Visit <https://www.visa-turkey.org/the-turkey-evisa-what-is-it-and-why-do-you-need-it/> to find out more about the terms and conditions.

The online visa can be generated through a simple online process where every applicant must fill out and submit a simplified online application form. Then the applicant must pay a nominal fee for the eVisa for Turkey. Learn more about the payment methods and service charges
