

Magalie Vinotti The new face of Rap music

The new face of international rap music comes from Italy

Milan, Italy Aug 7, 2024 ([Issuewire.com](https://www.issuewire.com)) - Magalie Vinotti is an international recording artist (Rapper) signed in the U.S.A. and hailing from Italy. Known for being the first Italian female rapper to sing in multiple languages, she mixes lyrics across various sub-genres such as Drill, Gangsta-Rap, Trap, and Latin. Her linguistic versatility includes Italian, English, French, Arabic, and Spanish. Recently, she became the first Italian female artist to delve into Country-Rap (Urban). Magalie is a multi-talented figure in the music industry, serving as a singer-songwriter, rapper, producer, and CEO of Eilagam Records.

Additionally, she is an author and model. Born in the 2000s and raised in Sanremo, the city famous for its Italian song festival, she currently resides between Lecco and Milan. Magalie, self-described as a "Worlden girl" for her appreciation of global cultures, uses her music to express a cosmopolitan and glamorous style. She sings the womanhood mood and the power of love with her freedom words.

Magalie has released songs in different languages to date but is now focusing on her Italian singer-songwriter side by producing songs in her native language composed with love. Like the latest single Rodeo.

Offers us a romantic piece of contemporary poetry with Country-Rap notes, making us discover her eclectic side as a pioneer of musical innovation. "Rodeo" takes us to the American style with the touch of Italian words which thus envelop this song in an aura of mystery and charm, leaving us to think about how love has no boundaries or barriers, telling of a girl in love with a criminal who he thinks he can't be with her because of his problems with the law, you can guess it in the chorus: "Now that I'm here and I think about you, I would like to tell you that I would like to be with you, even if you can't be with me" and clearly this love is a "Rodeo" a challenge to face, but love can, love can sing its feeling, break down obstacles, love does not look color, culture, origin, language because it is universal and unique.

Even "Hustler" Country-Rap genre song is a hymn to love with its lyrics in English to make it more international, and her unique style as a true Cow-Girl, Magalie is undoubtedly a promise in musical innovation on a worldwide level and we expect great things from an artist as eclectic and talented as her.
