

Michelle McDade, MD, Dedicated Emergency Physician, Telemedicine Specialist, and Medical Expert Witness

**Bringing Decades of Experience and Expertise to McDade Consulting, Elevating Medical
Care and Legal Expertise**

New York City, New York May 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. McDade, the Associate Chief of Emergency Medicine at The Hospital of Central Connecticut New Britain Campus, is a highly esteemed medical professional with a wealth of experience and expertise in emergency medicine, telemedicine, and medical legal matters.

Moreover, as the medical director of McDade Consulting, she offers her expertise as a medical expert witness, specializing in chart reviews and depositions. Drawing on her extensive education and experience, she excels in simplifying complex medical issues for legal proceedings, providing invaluable insights and perspectives.

Graduating with her medical degree from Oregon Health and Sciences University in 2003, Dr. McDade went on to complete her residency at the University of Connecticut, where she distinguished herself as Chief Resident. With over two decades of experience in emergency medicine, she has built strong connections within her community, serving as the Medical Director for an EMS ambulance company and training academy. She is also actively involved in teaching medical students and allied health professionals, sharing her knowledge at various health conferences.

Beyond her clinical work, Dr. McDade serves as Topside Medical Control, overseeing health professionals in remote settings through telemedicine. Her innovative approach to medical care, combined with her engaging teaching style, has resulted in collaborative care of the highest standard worldwide.

Dedicated to staying abreast of the latest medical advancements, she ensures that her patients receive cutting-edge care. Her commitment to excellence, coupled with her ability to connect with patients and colleagues alike, sets her apart as a respected authority in the field of emergency medicine and medico legal matters.
