

## Progressive Dentistry & Orthodontics Introduces Special Promotion on Dental Implants

Introducing a groundbreaking offer from Progressive Dentistry & Orthodontics! We're thrilled to announce a special promotion on dental implant services, making it easier and more affordable for residents in Chandler.

**Chandler, Arizona May 16, 2024** ([Issuewire.com](http://Issuewire.com)) - Progressive Dentistry & Orthodontics is excited to announce a special promotion on dental implant services for residents in Chandler and the surrounding areas. This limited-time offer is designed to make dental implants more accessible and affordable for patients seeking a permanent solution for missing teeth.

Dental implants are considered the gold standard for replacing missing teeth due to their durability, natural appearance, and ability to restore full functionality to the mouth. However, the cost of dental implants can be a barrier for some patients. Progressive Dentistry & Orthodontics aims to address this barrier by offering discounted rates on dental implant services for a limited time.

"Our goal at Progressive Dentistry & Orthodontics is to provide high-quality dental care that is accessible to all," said Dr. Aaron, lead dentist at Progressive Dentistry & Orthodontics. "We understand that the cost of dental implants can be prohibitive for some patients, which is why we are excited to offer this special promotion. We want to help our patients achieve a healthy, confident smile without breaking the bank."

Patients who take advantage of this special promotion will receive a significant discount on dental implant services at Progressive Dentistry & Orthodontics. This includes all aspects of the dental implant process, from the initial consultation to the placement of the implant and the final restoration.

To take advantage of this limited-time offer, patients are encouraged to schedule a consultation with Progressive Dentistry & Orthodontics. During the consultation, Dr. Aaron will evaluate the patient's oral health and determine if they are a candidate for dental implants. If dental implants are the right option for the patient, they can proceed with the treatment and receive the discounted rate.

"We are committed to providing our patients with the best possible care and outcomes," said Dr. Aaron. "By offering this special promotion on dental implants, we hope to help more patients achieve a healthy, beautiful smile that they can be proud of."

Patients interested in learning more about the special promotion on [dental implants near Chandler](#) are encouraged to contact the Progressive Dentistry & Orthodontics.
