With a profound admiration for animation and storytelling, 8RIES works with aspiring animators to bring her projects to life and create enchanting experiences that resonate with all ages. Her aspirations to collaborate with industry conglomerates such as Disney, Netflix, In The Black Network, Nickelodeon, and Cartoon Network underscore her commitment to crafting content that entertains and inspires the next generation.

Her debut single, "*The Spring Song (Spring Again)*," is poised to become a favorite among listeners, marking the beginning of what promises to be a vibrant and impactful career.
