

Vervotech Announces Winners of Inaugural Annual Awards 2024 at ATM Dubai

Dubai, United Arab Emirates May 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - [Vervotech](https://www.vervotech.com), a top accommodation data management company, announced the winners of its inaugural annual Awards at the Arabian Travel Market in Dubai. The awards recognize two outstanding contributions that created avenues of mutual growth through active partnerships.

Vervotech named [Technoheaven](https://www.technoheaven.com), a leading travel technology consultancy, as the recipient of the first category "Tech Partner of the Year" award. This accolade highlights Technoheaven's invaluable partnership with Vervotech, showcasing its commitment to mutual initiatives in advancing technology beneficial to both organizations. The award underscores their collective efforts in knowledge sharing and implementing best practices.

Additionally, Vervotech presented the "Ambassador of the Year" award to [Vinod Singh](#). This honor recognizes Mr. Singh's exceptional individual contribution to amplifying Vervotech's presence within the market. His advocacy and active mentions have significantly raised awareness about Vervotech's mapping solutions, benefiting both stakeholders.

Commenting on the Annual awards, Vervotech's CEO, Sanjay Ghare said, " I congratulate both the winners, Technoheaven and Vinod Singh. As an organization, we are huge proponents of collaboration and mutual growth, and the awards recognize that spirit and set precedence for our collective effort to encourage more such collaborative endeavors."

The award ceremony took place on May 7 at ATM Dubai, where the respective winners were presented with their well-deserved honors.
