

Alexander Axelrad, MD, FACS, FCCM, Shines as the Chief of Trauma Surgery at Crozer-Chester Medical Center

Elevating Care for Patients in the Region

New York City, New York Jun 20, 2024 ([Issuewire.com](https://www.issuewire.com)) - An experienced trauma surgeon, Dr. Axelrad is the Chief of Trauma Surgery at Crozer-Chester Medical Center in Upland, Pennsylvania. His broad experience in respiratory failure, as well as trauma cases both blunt and penetrating, positions him as a leading authority in critical care medicine.

Known for his special interests in trauma care for geriatric patients and ventilator management, he approaches each case with a personalized and compassionate touch. Whether it's chest wall stabilization surgery or damage-control procedures, he ensures that all patients receive the highest level of medical and surgical care tailored to their specific needs.

A graduate of the Autonomous University of Guadalajara, Dr. Axelrad completed his residency at Maimonides Medical Center and pursued a fellowship in Surgical Critical Care/Trauma at the University of Miami/Jackson Memorial Hospital. He is board-certified in surgery and in Surgical Critical Care, reflecting his commitment to ongoing excellence in his field. With a distinguished background in surgical critical care and trauma management, he brings a wealth of experience and expertise to his role, elevating the standard of care for patients in the region.

On a professional level, Dr. Axelrad is an active member of prestigious professional organizations such as the American Association for the Surgery of Trauma, the American College of Critical Care Medicine, the American College of Surgeons, the Eastern Association for the Surgery of Trauma, and the Society of Critical Care Medicine. His dedication to advancing trauma surgery and critical care medicine is evident in his continuous involvement in the latest advancements and best practices in the field.

With Dr. Axelrad at the helm, Crozer-Chester Medical Center reaffirms its commitment to providing top-tier trauma surgery services to the community. Patients can trust in his expertise, empathy, and unwavering dedication to delivering exceptional care in their most critical moments.
