

Alexandra J. Erhardt, DO: A Skilled Transplant Surgeon at Hackensack University Medical Center

Bringing Expertise in Hepatobiliary Surgery and Organ Transplantation

New York City, New York Jun 20, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Erhardt is a highly trained transplant surgeon currently affiliated with Hackensack University Medical Center in New Jersey. Specializing in hepatobiliary surgery, pancreas, and kidney, pancreas, and liver transplantation, she is known for her meticulous attention to detail and her ability to tailor treatment plans to meet each patient's unique needs. She works closely with a multidisciplinary team of experts to ensure that every patient receives comprehensive, personalized care throughout the transplant process.

A graduate of NYIT College Of Osteopathic Medicine, she completed her surgical residency at Hackensack University Medical Center before pursuing advanced training in abdominal transplant surgery and hepato-pancreato biliary surgery at Methodist Hospital.

With a passion for improving the lives of patients in need of liver, pancreas, and kidney transplants, Dr. Erhardt has dedicated her career to the field of transplant surgery. Her expertise and dedication to her patients have earned her a reputation as a top transplant surgeon in the region. Her innovative approach to surgery and her focus on achieving the best possible outcomes for her patients have made her a valuable asset to the transplant program.

As she continues to make a difference in the lives of patients in need of life-saving transplants, she remains committed to advancing the field of transplant surgery through research, education, and advocacy. With her passion for excellence and her unwavering dedication to her patients, she is poised to lead the way in transplant surgery at Hackensack University Medical Center for years to come.
