

Andrea J. Ference, MD, MPH, Anesthesiology Expert at Virginia Mason Med Ctr, Leads the Way in Exceptional Patient Care

Setting the Standard for Excellence in Healthcare Delivery

New York City, New York Jun 10, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Ference, a highly skilled anesthesiologist, is making a significant impact at Virginia Mason Medical Center in Seattle, Washington with her expertise and dedication to patient care.

Throughout her academic career, she obtained her medical degree from the esteemed Medical College of Pennsylvania (now known as Drexel University) in 1996, and attended the University of Pittsburgh Medical Center, where she completed her internship and residency. To further enhance her skills, she pursued fellowship training in pain medicine at Virginia Mason Medical Center, solidifying her expertise in the field.

As a board-certified anesthesiologist by the American Board of Anesthesiology (ABA), Dr. Ference exemplifies a commitment to excellence in patient care. The ABA, a renowned certifying body for anesthesiologists since 1938, focuses on advancing the highest standards of anesthesiology practice. Her dedication to maintaining her certification showcases her ongoing commitment to lifelong learning and staying at the forefront of advancements in her field.

Dr. Ference's leadership at Virginia Mason Medical Center has set her apart as a trusted and respected figure in the field of anesthesiology. Her expertise, combined with her compassionate approach to patient care, has earned her praise from colleagues and patients alike. Dr. Ference's impact extends beyond the operating room, as she actively contributes to the advancement of anesthesiology through her involvement in educational initiatives and research projects.
