

Bison Paddles Unveils New National Park Themed Pickleball Paddles to Support Conservation Efforts

A Paddle with Purpose

Salt Lake City, Utah Jun 25, 2024 ([Issuewire.com](https://www.Issuewire.com)) - [Bison Paddles](https://www.BisonPaddles.com), a leading name in high-quality pickleball equipment, is proud to announce the launch of its new National Park themed pickleball paddles. This innovative series, inspired by the breathtaking beauty of America's national parks, aims to merge the love of pickleball with a commitment to preserving these natural treasures.

The new collection features paddles themed around iconic national parks such as Yosemite, Arches,

and Yellowstone. Each paddle is meticulously designed to capture the essence of these magnificent landscapes, offering players not only a high-performance paddle but also a piece of art that celebrates the great outdoors.

A Paddle with a Purpose

In line with Bison Paddles' commitment to giving back, a percentage of every sale from the National Park series will be donated to support the preservation and conservation of the respective parks. This initiative is part of the company's broader mission to protect the environment and promote sustainable practices within the pickleball community.

Collin's Vision

"We've always been passionate about pickleball and the great outdoors," said Collin, co-owner of Bison Paddles. "With this new line, we're excited to offer players paddles that not only perform exceptionally well on the court but also contribute to a greater cause. It's our way of giving back to the parks that have inspired so many of us."
