

Camellia Pratt Clark, M.D.: Leading Private Practice Psychiatrist in San Diego CA

Making a Meaningful Impact on the Lives of Those Seeking Mental Health Support

New York City, New York Jun 21, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Clark is making waves in the mental health community with her compassionate and comprehensive approach to patient care. With a strong belief in psychiatry as a calling rather than just a profession, she has dedicated her career to helping individuals achieve mental wellness through personalized treatment plans that often include therapy to

aid in recovery.

After graduating with her medical degree from the University of Texas Medical Branch Galveston and completing her residency at New York Hospital/Cornell Westchester Division, she specializes in treating adults aged 18-64 years. Her areas of expertise include dual diagnosis, trauma, and mood and anxiety disorders. She is also certified to prescribe Suboxone, a medication crucial for managing opioid dependence.

As a board-certified psychiatrist by the American Board of Psychiatry and Neurology, Dr. Clark maintains active participation in various professional organizations. She is a member of the American Psychiatric Association Caucus on Complementary and Integrative Psychiatry, the American Academy of Addiction Psychiatry, the American Neuropsychiatric Association, and the American Board of Psychiatry and Neurology.

Throughout her career, she has been recognized with several prestigious awards, including the Sleep Research Society Foundation J. Christian Gillin, M.D. Research Award, the Sleep Research Society Young Investigator Award, the West Coast College of Biological Psychiatry Junior Faculty Research Award, and the NARSAD Young Investigator Award.
