

Carole Chin, NPP, A Trusted and Respected Figure in the Psychiatric Community

Enhancing Mental Well-Being Across Diverse Communities

New York City, New York Jun 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - Ms. Carole Chin, NPP, is a dedicated and compassionate psychiatric nurse practitioner who has been providing exceptional care to patients of all ages since May 1993 at her esteemed private practice, Carole Chin Counseling Center, situated in Bay Shore, New York.

With a Master of Science in Nursing Degree from Stony Brook University in 1992, Ms. Chin brings over three decades of invaluable experience to her practice, catering to a diverse range of individuals, including children, teenagers, adults, and the elderly. Her expertise encompasses a wide array of specialties, including psychiatric evaluations and diagnoses, medication management, marriage and individual counseling, public speaking engagements, and conferences. She specializes in treating various mental health conditions such as depression, bipolar disorders, eating disorders, anxiety disorders, ADHD/ADD, autism spectrum disorders, adjustment disorders, and more, with a particular focus on challenging and resistant cases.

In recognition of her outstanding contributions to the field of psychiatry, Ms. Chin was honored with a prestigious New York State Assembly Citation in March 2024 for her exemplary service to the community over the past three decades. Additionally, in April 2024, she was bestowed with the esteemed Top Doctor Award, a testament to her unparalleled expertise and commitment to delivering high-quality care to her patients.

As Ms. Carole Chin continues to make a positive impact on the lives of those she serves, her dedication to excellence and unwavering compassion sets her apart as a true healthcare professional devoted to enhancing the mental health and overall well-being of her patients.
